21. Colorable Claims Under § 1985 was Prerequisite to 42 U.S.C 1986. In which states "every Person having knowledge that any of the wrongs conspired to be done, ~~in~~ having Power to prevent or aid in preventing the Commission of the same, neglects or refuse so to do, if such wrongful act(s) be committed shall be liable, for all damages caused by the wrongful act, which such Person of reasonable diligence could have prevented. Thus Making 18 USC 241 and 18 U.S.C 242 Claims Colorable.

25. Plaintiff hereby amongst other claims asserts Monell claims. The Monell doctrine states a Municipality may be held liable for Officers actions.

26. Defendants violated Constitutional rights and that Violation and or the Continuance Of those Violations resulted from an Municipal Policy and or Unofficial Custom. And because the City of N.Y, Board of Corrections, Department of Corrections, and Policy Making defendants failed to take remedial action to cease the long-standing Unlawfully acts being imposed on MR. ALI and 9 South. Said defendants were deliberately indifferent in its failure to train or Supervise and or discipline for Misconduct, Customs or Policies that Cause Unconstitutional behavior.

27. There was not or is not any Penological interest for the Emergency Service Units Presence in 9 South for over Seven(7) Months Said Presence was Pure Overkill and Reversed the interest of Justice, if any, by the ill Conduct of ESU as described herein this instant Matter. And by the Unlawful Customs and Policies.

28. The Department of Corrections herein as, "the Department" The Board of Corrections herein as "the Board" The City, ESU, Policy Making defendants and Supervisory defendants all individually and or Collectively all tolerated, furthered, Sanctioned, and or failed to cease the following Practices of;

"DEAD-lock" a Policy in which a detainee isn't allowed to be released from his Cell for an optional lock-out. With Malicious intent due to Prior actions and or inaction of said detainee. Solely to Punish or Cause harm. 9 South was often Placed on Dead Lock and Mr. ALI.

29. "Stop resisting" a wide spread Policy used during any and all use's of force in an attempt to stage that a detainee is failing to Comply with instructions given by the D.O.C ("Department") Staff so that otherwise Unness force Used is deemed justified. Despite the fact that said detainee was not resisting. This is also done so the Correctional Officer ("C.O") holding the handheld Camera during the use of force does not Mistakenly record the Whispered ill Comments and death threats.

30. "Behind The Back" is a Policy in which the Off,cer holding the hand-held Camera during a cell extraction, a search, or a use of force incident Intentionally only records the backs of another officer and not the inmate and or the assilants

31. "Write with US" or "Write together" a Policy in which defendants Conspire to falsify documents To "Sweep the Incident" Under the rug" a Policy to undocument incidents

32. Subsequently defendants have a Policy of delaying and or denying requested and or needed medical Care and or treatment.

33. One of the many motives for Prison officials Practices, Policy (written/unwritten) and deeply embedded Customs Stem from the municipal and Supervisory defendants failure to Properly train, Supervise and discipline. Also Inadequate training inadequate Systems for investigating and disciplining Staff for the Misuse of force. Also the failure to implement and or enforce D.O.C Use of force Policy. Plays a Significant role in the Continuation of these Unconstitutional Practices.

34. We need to investigate the Investigators Prior D.O.C. officials investigating there own, is highly Prejudicial. And taints the investigation.

35. facility Investigations and The Department of Investigations herein as ("D.O.I" or "I-D") and or the "Investigation Division" investigations of Staff misconduct and Misuse of force require Several requirement that are not followed Or has not been implemented Ample incidents involving the use of excessive force goes unreported or unfounded. The deficiencies within the Process has Caused Mr. Alli's injuries.

36. Said Continued deficiencies even after the Nunez agreement are as such; (1) Investigations not being done by a Private entity not associated with or working for the Department of Corrections, (2) An agency lack of the, (3) Failure to Pursue Unanswered questions, (4) Failure to address if Staff Conduct actually complied with written Policy, (5) Inadequate efforts to identify and interview witness, (6) Failure to explain how Conflicting evidence was resolved, (7) The lack of a double standard of interpreting medical records and Photographs of injuries, (8) Magnification on discrepancies within Staff Statements, (9) use of boilerplate language and, (10) reaching for some basis to approve Staff Conduct.

37. The systematic deficiencies stated above are a significant Cause of the Misuse of force imposed on Plaintiff and 9 South.

The failure of the City of N.Y, D.O.C, B.O.C, Chief of D.O.C, and Policy making defendants to guide and train its officers in the correct way to use force if ultimately necessary. Also the failure to monitor investigate and discipline the Misuse of force has allowed the Continuation of those Practices to resume well after "Fisher v. Koehler, 692 F.Supp 1519 S.D.N.Y 1989"

38. While a single incident may be viewed as mere negligence, yet there are repeated examples of the Policies/customs herein imposed upon Plaintiff and other 9 South detainees. Through D.O.C's "elaborate" report system the City and the Supervisory defendants were aware of the Patterns described. Yet failed to take sufficient steps to curb.

39. The Policy making defendants, Supervisory defendants, and the City of N.Y. were also aware or should have been aware of the individual defendants history of misconduct. Well before and after Plaintiff was assaulted. Yet failed to remove said defendants from 9 South and to discipline or take remedial action to prevent the furthering of the unconstitutional Practices. Plaintiff was assaulted by the same defendants more than once and even after still remained in contact with them.

40. Through countless Criminal Cases, allegations, Suits (State/Federal), investigations and departmental reports, the City, D.O.C, B.O.D, and the Chief all have been made aware of the widespread Practice by defendants of sanctioning, encouraging, Participating or covering up these unlawful Practices. In which further's abuse. Defendants Conduct constitutes a municipal Policy, Practice and custom deeply embedded in the Culture of D.O.C implementing law

41. Although this information was known to the department, Board, and City, defendants failed to protect and were deliberately indifferent to the dangers posed by their subordinate employees. As a result Plaintiff was maliciously assaulted by Emergency Service Unit "E.S.U." On several different occasions as described in further herein.

The same entity and officials whom Plaintiff has complained upon, and imposed and or sought separation orders.

42. Furthermore Plaintiff was subjected to the practice of imposing unlawful and unconstitutional disciplinary sanctions without due Process of law.

43. In Connection with each Use of force incident Conspired by E.S.U Staff Applicable defendants drafted multiple falsified infractions, denied Plaintiffs appearance at disciplinary adjudication hearings, then imposed a finding of guilt without Conducting an Proper investigation. And or never conducted an adjudication hearing.

44. The above stated Policies and Customs are deeply embedded in the culture of D.O.C, B.O.C and the City of N.Y. Constituting impermissible Punishment of a Pre-trial Detainee. SEE; *Chelbeck v. New York City Dept of Corr.* 929 N.Y.S.2d 200, SEE ALSO *Henerson v. City of New York* 711 N.Y.S.2d 180" revealing DOC Due Process denial Practices. See ALSO *Peter Rodriguez v. City of Ny (S.D.N.Y)* and SEE ALSO *Goino Gambino v. City of N.Y.* SEE ALSO *Goino Gambino v. ESW (S.D.N.Y)* revealing the assaults by ESW in the 95th housing area.

45. All defendants Failure to Cease said Customs and Policies despite knowledge bespeaking a deliberate indifference by officials to the agony engendered haphazard and ill conceived procedures thus causing the Procedures Plaintiff was subjected to and Constituting municipal liability.

46. During all times relevant hereto, defendants also had a Custom of refusing to file submitted grievances. And or returning said grievances as Non-grievable Staff Complaint. If Any grievances were answered they were of no importance and Only answered to Stage Procedure was being Complied With.

47. Wherefore, This is a Civil rights action in which the Plaintiff seeks relief for the individual and official Capacities of each defendant for the Violation of his rights Secured by 42 U.S.C 1983, 42 U.S.C 1985, 42 U.S.C 1986, 18 U.S.C 241, 18 U.S.C 242, and the first, fifth, Eighth, and fourteenth Amendments of the United States Constitution. Plaintiff also asserts any and all applicable State Law Claims and Correction law Claims including but not limited to Misuse of force, Assault and battery, and negligence. Upon information and belief Plaintiff reserved any and all Claims by timely filing a Notice of Claims in which thirty (30) days has elapsed and the City has not settled or Made any offers. ^{April 15 2021 threw May 1st 2021} The claims arise from a ~~July 2nd 2020, August 17th 2020,~~ ~~August 2nd 2020, August 17th 2020,~~ incidents in which defendants, among other things, applied unreasonable and unnecessary force and or Sexually assaulted Plaintiff. Also delayed, denied or deprived adequate medical Care/Treatment. Plaintiff seeks Compensatory, special, general, Money and Punitive damages joint & severally. Also declaratory and injunctive relief. And such other and further relief as the Court deems Just and Proper.

PARTIES

51. At all times Pertinent hereto Plaintiff a Citizen of the United States and a Pre-Trial detainee in The Department of Corrections Custody, Housed in the Manhattan's Detention Complex Infamous 9 South.

STATEMENT OF CLAIM

52. In response to Plaintiff being a 9 South detainee and in response to a use of force that occurred on or about April 13th 2021 while at A.M.K.C.'S Rikers Island Plaintiff was retaliated against as stated herein.

On April 15th 2021 Plaintiff was taken to a Tival Gang House. Although Corrections alleges they house by classification the City of New York, Department of Corrections, and Custody Management Personnell has a Unwritten Deeply imbedded Policy to house inmates by Gang Affiliations.

53. After being transferred to G.R.V.C Plaintiff was brought to 5A a SRG Folk and SRG Unknown Gang. Before entering said housing area Deputy Carter and the Seg intake security team told Plaintiff they knew he would be jumped yet Chief Jennings authorized me being improperly housed out of retaliation. Of use's of force with "her" E.S.U Unit and other actions Upon entering the house I had 4 large Plastic bags filled with Property Secured in Cell 33 of 5A.

Plaintiff entered the house at approximately 3:30^{PM}.

54. At around 5:30^{PM} Multiple Inmates attempted to jump and slash Mr. ALI facial area yet to no avail. Only approximately two blows landed and one strike with his cane.

Then Correctional Officer Edmund maliciously sprayed Plaintiff in his face with chemical agents more than once and stated they should've killed you, And you cant fight the whole house if you cant see.

55. Plaintiff then walked onto the vestibule and awaited a Probe team one of which did not arrive until approximately two hours later.

While on the housing area vestibule Correctional Officer Edmund came out the housing area without properly securing the disruptive and assaultive inmates thus creating a further security risk.

When exiting the housing area Officer Edmund then entered the Control bubble and buzzed open cell 33 and allowed inmates to enter said cell and steal a bag of Plaintiff's property in which contained approximately three hundred and fifty \$350⁰⁰ Dollars worth of food, personal pictures, personal clothing, sneakers, religious items and hygiene products.

56. While on the vestibule I requested my property to be given to me before I exited the area yet to no avail and when they finally gave me my property one bag full of the above stated was stolen.

57. While on the vestibule security officers taunted Mr. Alli and tried to inform the officer to allow the inmates out onto the vestibule to assault him again. This took place for about two and a half hours until a Probe team responded to the area.

Mr. Alli was then taken to seg intake for decontamination in which he refused and was then taken to Medical at the mini clinic in which he requested to see a different doctor and was refused service.

58. Mr. Ali was then taken to 7A on Srg Latin King house at approximately 8:10^{PM}. Upon entering the housing area I was jumped by the Probe team in front of Cell 22 while officers pulled his hair and choked him with their fingers around his Adams apple, and also delivered closed fist blows to his facial area. Then at one point an officer cut Mr. Ali's facial area on the left side by his ear with a unknown object and then falsely shouted he has a weapon. In which was truly the weapon they used to cut him with while he was in mechanical restraints. This use of excessive force took place for approximately ten minutes.

59. Officers then placed Mr. Ali on the gurney and then rolled him out the housing area of 7A onto the vestibule of 7 Control in which officers whispered death threats and stated that's why we cut you. The officers of the Probe team held Mr. Ali on the vestibule for approximately ten (10) minutes then rolled him back inside of 7A and placed him inside Cell 22, the Probe team officers then sexually assaulted him and tried to cut him again. then lefted out the area.

60. From April 15th 2021 until April 23rd 2021 on each tour I asked Captains and Deputy's to remove me from the housing area 7A and/or allow me to lock out my cell yet to no avail, Each Captain and Deputy aided and abetted in the cruel and Unusual Punishment and illegal dead lock Procedures

61. And refused to allow him to lock out his Cell.

From April 15th until April 23rd Mr. ALI was maliciously deprived and denied the ability to lock out his cell, take showers, use the Phone, Go to recreation, take medication, and adequate religious meals. Mr. Ali food was given to him threw a rat hole on the floor

62. On the night of April 23 2021 at 12:00^{AM} through 12:00^{AM}

Mr. ALI began to hear voices telling him to start fires and or kill him self. In which he started the fire

Officer D. Brown (1689) Put out the fire several times

yet refused to follow fire safety Protocol and forced Mr. Ali to endure smoke inhalation all night. Mr. Ali told C.O. Brown

that he was feeling suicidal and also feared for his life in said housing area, and that he started the fire for help and because he was hearing voices yet brown stated he didnt care and made other comments that showed disregard for his life and in violation of Procedure

63. In the following hours at approximately 11 AM

another fire took place in which Correctional Officers

lefted him inside his cell for 2 hours to endure smoke

inhalation. Then medical was offered and the John Doe Doctor falsified Medical records lying about my

Condition. On April 25th 2021 Mr ALI was transfered to an SRO

Patricia House and endured the same dead lock Procedures.

And denial of minimum standards also daily life necessities.

from April 25 2021 until May 1 2021.

On May 1st 2021 MR. ALI heard voices again after being lefted in rival gang houses in which inmates taunted to assault him once let off dead lock. He then again started a fire

In which officers letted him to die from smoke inhalation for hours despite the officer seen on camera extinguishing the fire multiple times and the fire safety officer responding to the area.

69. Upon information and belief Mr. ALI started 3 fires inside of 9B and was brought back each time despite knowing gang rivals being present there.

Throughout the entire G.R.U.C Mr. ALI has gang rivals yet custody management officers Ruiz and Allyene and the Chiefs of department refuse to move him and continue to place him in harms way. And displayed the failure to protect. While at 9B from April 25 until May 1 2021 Mr. Ali was intended to practice his religion and participate in the Ramadan fast yet his religious diet was not followed and or not adhered to at all in violation of Mr. Ali's first Amendment Rights.

Also to note the way Mr. Ali was provided his food was in violation of his eighth Amendment Rights.

While Mr Ali was in 9B 11 cell there was a known documented sewage issue in said housing area in which the toilet water and feces constantly flooded into inmates cells of the bottom tier. Despite said knowledge ~~of~~ Mr Ali's cell being soaked with sewage each day for each meal Mr. Ali's food trays was past threw the floor of a lat hole. Threw out the lock in Unlawful Procedure

65. Mr. Alli suffered mentally and physically. Ranging from Rashes to body due to no showers and mental health outbreaks and smoke inhalation for each fire started while at 9B and 7A. Also Mr. Alli suffered bodily injuries during the use of force on Apr. 1 / 5 2021 in which the John Doe Doctor denied medical attention and falsified medical records.

MR. ALLI filed Grievances and Called 311 In regards to all the above claims yet NO response was received. In which MR. Alli exhausted his administrative remedies

66. All defendants herein know of should've knew of or was made aware of Plaintiffs Claims threw similar conduct, Complaints, and or direct Participation and or being verbally told by Mr. ALLI And Complaints Submitted by Prisoners Rights Project, defendants failure to take measures to curb said actions constitutes acquiescence in the known Unlawful Practices and Unlawful behavior of employee. The Prevalence of these Practices and general knowledge of their existence and the failure of defendants to take remedial action Constitutional Violations and deliberate indifference is Constituted.

67 Defendants maintained a code of silence, participated Sanctioned, Covered up and/or failed to take any action to remedy the wrong. These practices are so long standing and deeply embedded in the culture of the department implements municipal Policy.

68. Prayers of Relief

Each Defendant is Sued in there individual and official Capacity.

Mr. ALI Seeks Judgment awarding damages for each asserted Claim and for Claimed injuries against each defendant.

Plaintiff Seeks any and all money damages including but not limited to Punitive damages.
